RE: Application for Multiple-Entry Tourist Visa

Dear Sir/Ma'am,

I am Sicong Jiang, a permanent resident of New Zealand and bearer of People?s Republic of China passport EJ6097218. I am writing to formally apply for a multiple-entry Japan tourist visa to facilitate my travel and exploration of your country.

I plan to visit Japan for the first time in June 2025 and intend to spend 14 days exploring Tokyo, Atami, Kyoto, and Osaka. However, given Japan?s rich culture, history, and diverse landscapes, a single visit would not be sufficient to fully experience the country. A multiple-entry visa would allow me to visit at different times of the year and appreciate Japan across various seasons.

I am an avid traveler and have previously visited Australia, Taiwan and the United States. I am financially self-sufficient and can fully support my travels. Currently, I am employed as a software engineer at Spark NZ, located at 50 Albert Street, Auckland, with an annual gross salary of NZD 137,500.

I trust that my employment status, travel history, and intention to explore Japan responsibly will support my application. Thank you for your time and consideration, and I look forward to your favorable response.

Sincerely,

Sicong Jiang
